

## FOUNDATIONS OF FAITH COMMUNITY NURSING

The purpose of this activity is to enable the learner to understand the necessary core knowledge to practice Faith Community Nursing

Objectives:

- Establish a plan to start a Faith Community Nurse Program
- Integrate basic concepts of faith and health in relation to building an effective faith-based health program
- Apply knowledge of spirituality and scripture to the practice of Faith Community Nursing, and develop counseling, visitation, advocacy and referral skills and services
- Know sources of continuing education and Faith Community Nursing support and networking in the southern New Jersey area and nationally
