

MASSES OF WELCOME & INCLUSION

SENSORY FRIENDLY LITURGIES

all God's People

VITALity's Ministry with the Deaf and Persons with Disabilities invites all persons with disabilities and their families to experience, throughout their lifespan, their essential belonging in their parish, the Diocese, and the Church at large. Our Ministry works with clergy, families, and other partners to facilitate and encourage everyone to participate fully in their parishes and communities.

SENSORY FRIENDLY LITURGIES Several parishes throughout the Diocese of Camden are creating sensory friendly environments during Mass. This may include dimmed lighting, not using incense, having a shorter homily, playing acoustic music or playing softer music. Individuals and families are welcomed to get up and move around, bring wiggle seats, fidgets, noise canceling headphones, or a comfort toy. These liturgies benefit people with sensory processing issues, autism, intellectual and developmental disabilities and adults with Alzheimer's Disease and dementia.
